EFR (EMERGENCY FIRST RESPONSE)

Accidents and illnesses happen every day. By mastering Emergency First Response Primary Care (CPR) and Secondary Care (first aid) course skills you can render important care to those in need. You'll also learn state of the art skills, based on the consensus view of the Basic Life Support (BLS) working group of the International Liaison Committee on Resuscitation (ILCOR). The course can be taken by divers and non-divers and is an excellent opportunity for hands-on experience in dealing with an emergency situation. This course is also a prerequisite for the PADI Rescue Diver course.
